

Class – 2B Individuals (E Tendering):

A. Brief:

The Root Certifying Authority of India (RCAI) Class 2B Digital Signature Certificate for Individuals is a personal certificate that provides the highest level of assurance within the RCAI hierarchy, a hierarchy set up by the Controller of Certifying Authorities (CCA) in India.

These certificates are issued only to individuals, based on a rigorous identity validation process. Further Class 2-B certificates tend to check whether the organization is into existence. This Certificate can be used to create digital signatures and serves as proof of identity in high value transactions.

Class 2B Individual certificates issued to individuals or devices and encompass primarily high end security-sensitive online activity.
